The Special Filming Conditions described below will be included in the terms and conditions of permits issued for filming in this area and are in addition to the standard terms and conditions applicable to filming permits generally. While these Special Filming Conditions will be included as terms if a permit for filming in this area is issued, they are not intended to, and do not, establish the criteria or standards for determining whether or not a particular permit (or permits) will be issued for this area. The decision whether or not a particular permit (or permits) will be issued is vested in the discretion of the appropriate City or County department or their designees (including FilmL.A., Inc.), to be exercised consistent with public health, safety and general welfare, and applicable land-use ordinances.

For safety purposes, the use of flagmen or retired/off-duty police officers are required to ensure the safety of pedestrians and beachgoers while towing vehicles are on the walkway.
- After launching, personal motorized watercrafts must remain 300 yards off shore.
- Vessels must remain 300 yards off shore.

- Personal motorized watercrafts and vessels must not impede the ingress and egress of boat traffic at the Marina del Rey Channel entrance.

- For film shoots with the use of personal motorized watercrafts in scenes, such watercrafts must remain 300 yards off shore and production company must hire two Lifeguards. One Lifeguard will serve as the operator of the Los Angeles County Lifeguard personal motorized watercraft. The operator will be on the water to monitor the shoot and keep a lookout for public safety. The other Lifeguard will serve as an in-the-water rescuer. Production company may also be required to hire shore-based Lifeguards.

- Unusual requests for use of personal motorized watercrafts will be evaluated on a case-by-case basis.

- On the day of the shoot, if water/weather conditions are unsafe for scenes with the use of personal motorized watercrafts, Lifeguards have the authority to cancel the shoot.
